

## Volunteer Graphic Designer

Virunga National Park is a UNESCO World Heritage Site in the eastern Democratic Republic of Congo, on the border of Uganda and Rwanda. Virunga is Africa's oldest national park, the continent's most biologically diverse protected area, and home to about a quarter of the world's critically endangered mountain gorillas.

Virunga National Park is seeking a Volunteer Graphic Designer to help improve our development and delivery of marketing tools, campaigns and content. The Volunteer Graphic Designer is responsible for the layout and design of marketing materials using a variety of graphic and web applications.

### SPECIFIC ACTIVITIES:

- Develop original concepts and graphics.
- Apply brand standards across all marketing materials.
- Update existing materials for current brand standards.
- Update and create the design and layout for collateral and presentations.

### REQUIREMENTS:

- Minimum one (1) to three (3) years of experience in graphic design.
- Proficient in Adobe Creative Suite

If interested, please contact [sarah@virunga.org](mailto:sarah@virunga.org) with your resume and portfolio.
