

Questions		Virunga Foundation's answer
1	<i>In ANNEX II + III</i> , Resting: ... in line with North Kivu condition. What is North KIVU condition?	As mentioned later in the sentence, we are referring to North Kivu's atmospheric conditions; so as to know "humidity 80%" and "temperatures between 20 to 28 degrees".
	<i>In Legal Identity Form</i>	
2	What is the main registration number?	Refers to your company registration number within your country, for instance, your VAT number
	What is the secondary registration number?	Same as above, but here it is not mandatory
	What is the country phone?	Your country phone number, for instance in China +86
3	<i>In Declaration of Honour Bidders</i> What is the registration number?	Same as point two, your VAT number or any other official company registration number within your country
4	We should supply one set of bakery equipment (as attached quotation sheet) respectively to the above two places? Totally two sets of the same equipment, right?	Two identical sets of equipment to be installed in two different areas
5	Optional automatic packaging machine. Is this packaging machine a must? Necessary?	It's an option, it's not mandatory
6	We need the picture of white pistol bread (250g), small baguette (12cm long) and round loaves (125g).	<p>We only have pictures for white pistol bread, please see pictures attached. Regarding the two other items, there is no real need for pictures as we are looking for standard baguette and round loaves, which are really common within the industry.</p> 
7	We need to know the details recipe of each bread. Such as flour, sugar, water, oil and another ingredients and so on.	The recipe is a standard industrial bread recipe that anyone can find on the internet, as you mentioned flour/sugar/water/vitamins, etc.
8	We need the workshop drawing paper on two addresses. Because we need to do design for the whole bread production line according to your workshop.	The "workshop" is of 400 meters length, 20 meters width and 4 meters height.

9	Submission dispatch note - 03_2023_VF_Boulangeries require financial statements for the last 3 years and bank certificate or sworn statement. Can be Chinese version for them? Both of them issued by our company or issued from bank and revenue tax bureau?	The documents can be issued from your company with your stamp, preferably in English if possible.
10	Submission of offers: if we choose offers are sent electronically, Many files requiry to be signed and stamped. so those files should be scanned and send with code inside?	Yes everything needs to be encrypted with a code; you can send us a file with a code if needed? The idea is that we can't open your offer before the deadline.
11	Can deal with US dollars? Or must be Euro?	It must be in Euro as it is a contract from the European Union.
12	Two semi-automatic or fully automatic bread production units with a capacity of at least 25,000 pieces per day (approximately 300g per piece); --> it means totally capacity of two semi-autoamatic bread production units is 25,000 pieces per day. So each semi-automatic bread production unit is 12,500 pieces? Per day working hour is 8 hours? This data is very important for us to calculate how many sets of mixers, rotary oven ,and proofer.	No, each unit needs to produce 25.000 pieces per day, so with two units we will produce 50.000 pieces. Working time here is 10 hours.
13	Can you give me this dimension of white pistol bread, small baguette and round loaves? We need to check what's size of pan is suitable and how big the proofer is required.	White pistol bread (250 g), small baguette (12 cm long) and round loaves (125 g). We are not strict in terms of dimensions, please provide samples; the idea is that we can change the mold rather easily.
